KOLAR TOWN MUNICIPALITY.

Notification dated 6th December 1928.

BYE-LAWS REGARDING THE INTRODUCTION OF LICENSING SYSTEM ON HOTELS, ETC.

In pursuance of Government Order No. L. 8673-4—Ml. 54-26-8, dated 6th June 1927 the Kolar Town Municipal Council propose to amend the Bye-laws framed under Section 48 (i) c of the Mysore Municipal Regulation as below and to introduce Licensing system on Hotels, etc., in Kolar Town from the year 1928-29.

Any inhabitant of Kolar Town objecting to the proposed amendments and to the introduction of Licensing System on Hotels, etc., may within one month from the date of publication in the *Mysore Gazette*, send his objections in writing to the President, Town Municipal Council, Kolar.

After Bye-law No. 28 insert the following Bye-laws numbering them as 29, 30, 31, 32 and 33 altering Bye-laws No. S. 29 and 30 as 34 and 35.

LICENSES.

1. In exercise of the powers conferred by Section 48 (i) b. iv. of the Mysore Municipal Regulation, the Municipal Council may by a resolution require a license to be obtained for establishing a Dairy, Hotel, Restaurant, Eating-house, Coffee-club, Sweet-meat stall, Bakery, Boarding-house or Lodging-house or a factory for manufacturing Ice or Aerated waters within the Municipal limits of Kolar Town.

2. Such resolution of the Municipal Council shall be published within the Municipal Limits at least one month before it is given effect to.

3. One month after the first publication of the resolution requiring a license to be obtained for the above purposes, it shall not be lawful for any person to keep or maintain within the Municipal limits, a Dairy, Hotel, Restaurant, Eating-house, Coffee-Club, Sweet-meat Stall, Bakery, Boarding-house or lodging-house, or a factory for manufacturing Ice or Aerated waters without a license.

4. At the discretion of the President, a license-fee of Rs. 10, Rs. 5 and Rs. 3 according to the extent of business shall be payable to the Municipality on each such concern for every official year or part thereof.

5. A license shall be granted subject to Bye-laws 5 to 28 mentioned above as far as they are applicable to individual cases and shall be in the forms appended below.

FORM OF LICENSE FOR A DAIRY, HOTEL, RESTAURANT, EATING HOUSE, COFFEE-CLUB, SWEET-MEAT STALL, BAKERY, BOARDING-HOUSE OR LODGING-HOUSE.

Office of the President, Town Municipal Council, Kolar.

.....son of .....

licensed to keep a Dairy, Hotel, Restaurant, Eating-house, Coffee-Club, Sweet-meat Stall, Bakery, Boarding-house, or Lodging-house and vend articles of human consumption and drink subject to the following conditions :—

(i) No person shall expose or keep for sale any article intended for human consumption or drink over or alongside of any open drain or sewer.

(ii) No person who is suffering from any infectious or contagious disease or from leprosy or open sores or who has recently been in attendance on such person or who is unwashed or otherwise unclean shall be engaged in the sale or manufacture of articles of food or drink intended for human consumption.

(iii) No foodstuff or drink of any sort which is stale, unwholesome or offensive or otherwise unfit for human consumption shall be stored or exposed for sale.

(iv) All articles of foodstuffs and drink intended for human consumption shall be so kept as to prevent contamination from flies, dust and bad odours.

(v) The building shall always be kept clean and tidy.

(vi) All refuse and dirt including used papers, leaf plates and leaf cups used for wrapping refreshments and other sweepings in and around the premises shall be stored in a place set apart for the purpose or thrown in the nearest dustbin.

(vii) The premises used for Dairy, Hotel, Restaurant, Eating-house, Coffee-Club, Sweet-meat Stall, Bakery, Boarding-house or lodging-house shall be well ventilated.

(viii) The walls of every building used for all or any of the above purposes shall be well plastered and made impervious to a height of at least four feet from the ground level.

(ix) The floors of the kitchen, dining, eating and bath apartments shall be impervious either by paving with stone or by chunam plastering or otherwise.

(x) Water used for drinking purposes shall be kept clean and free from floating impurities in a suitable, clean, covered receptacle provided with a tap for drawing water on a seat raised at least a foot above the level of the floor.

(xi) All metallic vessels used in cooking or keeping food-stuffs shall have a continual lining of tin.

(xii) Plates, cups and tumblers once used shall not be served again for use to a different person unless they are washed in water kept boiling.

(xiii) No lead vessels of any sort shall be used for any purpose whatsoever.

(xiv) The flour, sugar, ghee and other materials used in the manufacture of bread, biscuits, cakes, buns or sweetmeats or other similar confectionery shall be good and wholesome. Such materials shall be kept in a separate store-room or receptacle and shall not be kept lying on the floor or against the wall in any part of the building.

(xv) No person unconnected with the establishment shall be allowed access to the kitchen or such part of the building where prepared food or drink is kept for use.

(xvi) There shall be sufficient latrine accommodation. The night-soil shall be covered with ashes and removed daily.

(xvii) All papers and leaves intended to be used for wrapping bread, sweets and other confectionery shall be clean and stored on a clean rack.

(xviii) Bread, sweets and similar confectionery shall not be kept on the floor either before or after they are baked or prepared, but shall always be kept on a clean raised platform.

(xix) No person shall transport for sale foodstuffs intended for human consumption from one place to another except in a clean closed receptacle.

(xx) No person shall commit any act which may tend to render any foodstuff or drink which is being transported dirty or unwholesome.

(xxi) That this license shall only be in force till the end of June ..... and that it shall be exhibited to any officer of the Municipality not lower in rank of a Sanitary Inspector when he shall lawfully call for the same.

(xxii) That a breach of any of the above conditions by the licensee or by his servants shall render the Licensee liable, on conviction, before a Magistrate, to a fine not exceeding fifty rupees and also render the license liable to cancellation at the discretion of the President.

FORM OF LICENSE FOR MANUFACTURING ICE AND AERATED WATERS.

Office of the President, Town Municipal Council, Kolar.

Amount of License-fee received..... .. Date ....

.... son of ... . is licensed to manufacture Ice or Aerated Waters and to sell Ice or Aerated Waters within the Municipal Limits of Kolar Town subject to the following conditions :—

(i) No person shall expose or keep for sale any article intended for human drink over or alongside of any open drain or sewer.

(ii) No person who is suffering from any infectious or contagious disease or from leprosy or open sores or who has recently been in attendance on such person or who is unwashed or otherwise unclean shall be engaged in the sale or manufacture of drinks intended for human consumption.

(iii) Water used for the manufacture of aerated waters or ice shall be distilled water.

(iv) Water used for washing or cleaning bottles shall also be pure.

(v) The room in which aerated waters are manufactured shall be properly roofed and kept in good repair. The walls shall be well plastered with mortar and shall be limewashed at least once in three months. The floor shall be made impervious to water either by paving with stone or chunam-plastering or otherwise.

(vi) Aerated waters of any kind shall not be issued for sale without a proper label on each bottle giving the full name and address of the manufacturer.

(vii) It shall be lawful for the President, Vice-President, Medical or Sanitary Officer, or the Sanitary Inspector of the Municipality to take a sample of any kind of aerated waters manufactured or kept for sale in any aerated water factory for the purpose of being sent forthwith to the Government Chemical Examiner or Bacteriologist for examination, and if he certifies that such sample is unfit for human consumption it shall be evidence that it is so unfit until the contrary is proved.

(viii) That a breach of any of the above conditions by the licensee or his servants shall render the licensee liable, on conviction before a Magistrate, to a fine not exceeding fifty rupees and also render the license liable to cancellation at the option of the President.

M. ABDUS SUBHON,
President, Town Municipal Council, Kolar.
